torc.CFRC is committed to supporting Lesbian, Gay, Bisexual and Transgender (LGBT) communities and has fully adopted and implemented the Code of Practice that was launched by the Family and Community Services Resource Centre Programme in 2007. All employees are expected to incorporate the actions highlighted by the Code into their everyday work.

As a Family Resource Centre, we are committed to addressing social injustices and work towards equality for all using community development principles.

It is essential that all forms of discrimination and exclusion are regarded as unacceptable and are challenged by us.

The practice on inclusion is relevant to all of the Centre's work.
